Kia Ora, Talofa lava, Malo e lelei, Namaste, greetings to you all.

## PRINCIPALS PEN

We definitely have experienced all the seasons this week! Our **LEGENDs** have had to be 'resilient' being inside and finding activities that can be done inside as well as not being able to be on the grass for their normal lunchtime games! The focus this week has been around filling buckets of everyone including adults. Our **LEGENDs** have been talking about how we ensure we greet people, how we open doors for others, how we use our manners and acknowledge people who are doing nice things for others.

We have only 3 weeks left of the term and I know the teachers have some exciting things planned. Any postponement of any activities planned will be on our Facebook page. Please make sure you receive the notifications for this so that you have up to date information.

## SPRING FAIR – 24<sup>th</sup> September 11.30am

Our traditional Easter Fair was unable to happen due to our term 1 lockdown. We are now in full planning mode for this day to happen in the last week of school. If we are in level 2, it will mean that we need to limit people on site. No decision for this will be made until closer to the time. We appreciate that this is difficult to predict and many come and support our **LEGENDs** with their stalls. The stalls are run by the classrooms, ideas and products designed by the classrooms and all fundraised money goes to the Student Council for them to spend in an area that they would like to spend. More information for how the Spring Fair will operate will be in next week's newsletter.

## ST JOHNS VISITING

This week several classes have had St Johns visit. Our Te Wai Puna **LEGENDs** were learning to identify hazards and what they need to do when they see a hazard for Safety September. They went through illustrations identifying where they could see a potential hazard and how they could fix it and/or who they would need to tell. They also looked at household products that are potentially dangerous or poisonous. Then they were shown images and had to decide if it was safe or not safe like for example an image of pills or an image of skittles - out of a packet (both were unsafe unless you've asked an adult).

## Thought of the week

~ Inclusion is within everyone's ability ~

## Golden Tickets - Congratulations

## POSITIVE POST

Congratulations Hollie-Jane and Isaac for being **Legends** and being drawn from the positive post box. These **Legends** are recognised for their "excellent" behavior.

## What's going on?

### BEING ORGANISED WITH A SPARE CHANGE OF CLOTHES

Our **LEGENDs** are able to bring a spare change of clothes to school for lunchtimes and then can change back in to their uniform at the end of lunch time. We know that some days we see all four seasons, so having a change of clothes is a great idea. There are no changes here, so we do contact parents.

### POWERCUT

We have received a notice from our power company, Genesis, who have advised us of a power outage on the 17<sup>th</sup> September 12.15pm-2.30pm. School will operate as usual.

15 Sept	Board meeting 6pm
16 Sept	Ricoh Tournament for seniors
24 Sept	Spring Fair – 11.30am start
25 Sept	Last day of term
12 Oct	Term 4 starts
26 Oct	Labour Day - No school
2 Nov	<b>TEACHER ONLY DAY</b>
9-11 Nov	Ruahine Camp

### TEACHER ONLY DAY TERM 4

We have a planned Teacher Only Day in **Term 4 on the 2 November 2020**. Please ensure you can 'organise' care for your **LEGEND** on that day.

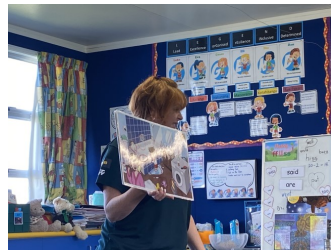

### Great last day of basketball with Miles

What's Been Going On  
in Room 10 (and 11)?

This week we have been lucky to have St John visit the school. We learned about how to identify things that are hazards and what we could do about them.

We were iNclusive like Nia when we were listening to Kitty and doing the activities.

Shhh!!! we've been doing something special for dads too.
